Powerball Ticket Worth \$200,000 Sold In Minot

BISMARCK – The numbers have hit in North Dakota again. This time it's a winning Powerball ticket with the Power Play option - making it worth \$200,000. The ticket was sold at Barlow's Miracle Mart Square in Minot.

The winning numbers drawn on Wednesday, July 20, 2005 were 6,7,32,39,51 and the Powerball was 31. The Power Play multiplier was 2. The lucky player matched the numbers on the five white balls drawn for a \$100,000 win, and because the player had also purchased the Power Play option, the prize multiplied to \$200,000.
